<b>20210047</b> 40 Woodland Road,Hellesdon,NR6 5RW Demolition of existing conservatory and ground floor rear extension & erection of new single storey and 2 storey rear extension.	26 Jan 2021	Objection there is inadequate parking provision within the site boundary to accommodate the extra vehicles which will be generated by this proposal. There is already significant on road parking at this point and the increase could cause danger by pushing the verge parking up to the junction with Coppice Avenue.	Awaiting Decision
<b>20210048</b> 1 Heath Crescent, NR6 6XD Change of use from a small HMO to larger HMO of up to 11 persons.	26 Jan 2021	Strong Objection - There is already a lack of safe on site and on road parking here. The proposal would lead to an increase of on road and verge parking with potential safety concerns due to the proximity of the Cromer Road junction. The result in overcrowded dwelling would be out of keeping with the neighbouring properties and would impact on the neighbourhood thus contradicting Policy 3 of the Local Neighbourhood Plan (Policy 3 High Quality Neighbourhoods).
