Planning Applications for Consideration

20200975 Rear single storey extension 1A Margaret Close, Hellesdon, NR6 5BS	Support
20200984 Addition of two new rooms within roof space to increase availability for bed a breakfast - change of use from C3 to C2 127 Reepham Road, NR6 5LY	Object The proposal will result in an increase in commercial use and vehicular traffic to the detriment of other local residential occupiers. Furthermore the application details appear to give the opportunity for additional residents without the local authority being consulted. We would further request that all other residents on this private road be informed, either by the applicant or the local authority of this proposal before a decision is made on the application.

Date of next Agenda

Plans received before 9th June 2020 will be discussed by the committee and comments made by 16th June 2020.
