Both Cllr Gurney's and Cllr King's Grant funding, will be going towards a new defibrillator at the Parish Hall. Once all installed there will be 6 in Hellesdon.

Cllr Gurney updated the Councillors on the Boundary Road alterations, she had raised Issues relating to the plans with Andrew Proctor and asked for the plans to be revisited. There is a planned meeting between Norfolk County Council and The Wensum Trust to discuss the future requirements for school provisions in Hellesdon following the plans for an additional school site on the Persimmon Development. A question raised is only having one school trust for the whole area gives no parental choice. Norfolk County Council will look to consider other expressions of interest for the planned school at the Royal Golf Course site. Cllr Gurney had spoken with Mr. Buck at Norfolk County Council who is the school crossing patrol manager and had asked if consideration could be given to a school crossing patrol for Heather Avenue Nursery. Unfortunately it had been decided not to proceed with the insertion of a school crossing patrol at this location due to very low footfall for the site, Cllr Gurney has requested for further traffic counts to be carried out.
