Planning Applications for Consideration

<p>20201506 120 Woodland Road, NR6 5RQ Two storey & single storey side extensions</p>	<p>Object The development will result in a significant increase in accommodation with a loss of on-site parking. This will result in on street parking with effects on both traffic flow and road safety.</p>
<p>20201537 199 Reepham Road, NR6 5QA Single storey extension and first floor extension.</p>	<p>Object The development represents an over development of the site which would be detrimental to the amenities of adjoining residential occupiers. There would also be insufficient on-site parking leading to vehicles parking in the highway which would have an adverse effect on both traffic flow and road safety</p>

Date of next Agenda

08th September 2020 will be discussed by the committee and comments made by 15th September 2020.
