Any running or legal costs to be discussed during the price setting process for 2019/20 in the November Committee meeting.

Much discussion also took place regarding the administration of the PRS licence. It was also **RESOLVED** to ensure that the music being played was correctly recorded and reported to PRS. The Parish Clerk stated that he would contact PRS to determine the correct procedure and implement a system thereafter.

8.2 The relationship between the 'Council Run' groups (Whist, Short Mat Bowls and Bingo) was discussed at length. Due consideration was given to the position inherited by the Parish Council in January 2016 and the welfare and community value of the groups concerned. However, it was **RESOLVED** that with immediate effect the Council relinquish responsibility for the groups concerned and allow them to administer themselves. All monies generated by the group's activities to be retained by the group's themselves and for each group to be granted the Community Rate for room hire.

It was also **RESOLVED** that the Parish Clerk be given the authority to meet with the organisers of the groups concerned to communicate this to them.

8.3 It was decided that this item did not need to be discussed at the Parish Clerk alone was now responsible for the meeting.
