Introduction

These model standing orders update the National Association of Local Council (NALC) model standing orders contained in “Local Councils Explained” by Meera Tharmarajah (© 2013 NALC). This publication contains new model standing orders which reference new legislation introduced after 2013 when the last model standing orders were published.

How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council’s standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council’s Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Standing orders that are in bold type contain legal and statutory requirements. Standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council’s needs.

For convenience, the word “councillor” is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

1. Rules of Debate at Meetings

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chairman of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the chairman of the meeting as withdrawn.
- d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
- i If there is more than one amendment to an original or substantive motion, the amendments shall be moved in the order directed by the chairman of the meeting.
- j Subject to standing order 1(k), only one amendment shall be moved and debated at a time, the order of which shall be directed by the chairman of the meeting.
- k One or more amendments may be discussed together if the chairman of the meeting considers this expedient but each amendment shall be voted upon separately.
- l A councillor may not move more than one amendment to an original or substantive motion.
- m The mover of an amendment has no right of reply at the end of debate on it.
- n Where a series of amendments to an original motion are carried, the mover of the original motion shall have a right of reply either at the end of debate on the first amendment or at the very end of debate on the final substantive motion immediately before it is put to the vote.
- o Unless permitted by the chairman of the meeting, a councillor may speak once in the debate on a motion except:
 - i. to speak on an amendment moved by another councillor;

- ii. to move or speak on another amendment if the motion has been amended since he last spoke;
 - iii. to make a point of order;
 - iv. to give a personal explanation; or
 - v. to exercise a right of reply.
- p During the debate on a motion, a councillor may interrupt only on a point of order or a personal explanation and the councillor who was interrupted shall stop speaking. A councillor raising a point of order shall identify the standing order which he considers has been breached or specify the other irregularity in the proceedings of the meeting he is concerned by.
- q A point of order shall be decided by the chairman of the meeting and his decision shall be final.
- r When a motion is under debate, no other motion shall be moved except:
- i. to amend the motion;
 - ii. to proceed to the next business;
 - iii. to adjourn the debate;
 - iv. to put the motion to a vote;
 - v. to ask a person to be no longer heard or to leave the meeting;
 - vi. to refer a motion to a committee or sub-committee for consideration;
 - vii. to exclude the public and press;
 - viii. to adjourn the meeting; or
 - ix. to suspend particular standing order(s) excepting those which reflect mandatory statutory or legal requirements.
- s Before an original or substantive motion is put to the vote, the chairman of the meeting shall be satisfied that the motion has been sufficiently debated and that the mover of the motion under debate has exercised or waived his right of reply.
- t Excluding motions moved under standing order 1(r), the contributions or speeches by a councillor shall relate only to the motion under discussion and shall not exceed 5 minutes without the consent of the chairman of the meeting.

2. Disorderly Conduct at Meetings

- a No person shall obstruct the transaction of business at a meeting or behave offensively or improperly. If this standing order is ignored, the chairman of the

meeting shall request such person(s) to moderate or improve their conduct.

- b If person(s) disregard the request of the chairman of the meeting to moderate or improve their conduct, any councillor or the chairman of the meeting may move that the person be no longer heard or be excluded from the meeting. The motion, if seconded, shall be put to the vote without discussion.

MODEL FINANCIAL REGULATIONS FOR LOCAL COUNCILS

This Model Financial Regulations template was produced by the National Association of Local Councils (NALC) in April 2024 for the purpose of its member councils and county associations. Every effort has been made to ensure that the contents of this document are correct at time of publication. NALC cannot accept responsibility for errors, omissions and changes to information subsequent to publication.

Notes to assist in the use of this template:

- 1) This document is a model for councils of all sizes to use to develop their own financial regulations, suitable for the size of the council and the activities it undertakes.
- 2) Bold text indicates legal requirements, which a council cannot change or suspend.
- 3) For the rest, each council needs to adapt the model to suit its size and structure. For example, some councils have both a clerk and RFO, possibly with several more staff, while others have a single employee as clerk/RFO. Some councils have committees, some have a high level of delegation and some make all decisions at full council meetings. Many now use online payment methods, but others still rely on cheques.
- 4) Curly brackets indicate words, sentences or sections that can be removed if not applicable, or amended to fit the council's circumstances. An example of this is the phrase {or duly delegated committee}, which can be deleted if there are no committees.
- 5) Specific areas that may need adapting:
 - a) In 1.5 – is the Clerk the RFO?
 - b) In 3.3 and 3.4, the words “Governance and Accountability” do not apply in Wales
 - c) In section 4, does the council have committees and how many years are forecast?
 - d) In 5.6, does the council issue an open invitation to tender, or invite specific firms?
 - e) In 5.9, are online prices acceptable evidence?
 - f) In 5.13, 5.15 and 5.17, does the council have committees?
 - g) In 5.16, will a councillor ever be instructed to place an order?
 - h) In 5.20, is there a minimum level for official orders?
 - i) Section 6 includes several alternatives to cover delegation to committees or to officers, approval of invoices individually or in batches, or for approval of regular contractual payments at the beginning of the year.
 - j) Sections 7, 8 and 9 also includes several alternatives, including wording for where the clerk is a signatory. These are intended to allow a council's financial regulations to fit what they actually do, not to force any council to change what they do.
 - k) Section 10 gives two alternatives, with or without petty cash.
 - l) 13.6 has alternatives for VAT-registered and unregistered councils – only use one.
 - m) 13.7 and 13.8 are removable if they don't apply to the council.

- n) Much of Section 16 can be deleted if not applicable.
 - o) 17.3, is the Clerk the RFO or will the RFO consult the Clerk?
- 6) Square brackets indicate where the council needs to specify who, or how much, or what the timescale is. For example [£500] might need to be £100, or [October] might need to be November, or [the council] might need to say the Policy and Resources Committee.
 - a) In 4.1 and 4.7, select the wording for England or Wales, based on your location.
 - b) In Section 4, the council needs to determine the timescale for its budget setting.
 - 7) It is challenging to try to offer guidance on setting financial limits. A council spending £1,000 a year is unlikely to delegate authority to spend £500 to its proper officer, but one spending £5 million a year might regard £5,000 as a reasonable limit. Each council needs to determine its own limits, that help, rather than hinder, its operations.
 - 8) Key limits to set:
 - a) In 5.6, at what limit will the council require a formal tender process to ensure fair competition, rather than just asking for quotes? If this is set too low, it may discourage suppliers. Many small councils might only use formal tenders once every few years.
 - b) In 5.8, at what limit will the council require fixed-price quotes rather than estimates?
 - c) In 5.9, at what level can smaller purchases be made without competition?
 - d) In 5.15, at what level can purchases be made under delegated authority (having complied with the rules about obtaining prices)?
 - e) In 5.18, how much can the clerk commit to spending in an emergency?
 - f) In 6.9, can payment of invoices (for purchases that have already been authorised) be authorised by an officer under delegated authority as a general principle, or only to avoid problems?
 - g) In Section 9, what are the limits for card payments?
 - h) In 16.5, what value of assets can be bought or disposed of, without seeking council approval?
 - 9) The contents list is a table that extracts section headings from the document. It can be updated by clicking on the contents list, whereupon a tab saying “update table” appears at the top of the list.
 - 10) Once this model has been tailored to fit the council’s needs, the resulting Financial Regulations (with the insertion of the council’s name at the top) should be adopted at a meeting of the full council. The date of adoption should be inserted below the Contents. Any subsequent proposal for amendment should also be made to the full council.
 - 11) The council should keep abreast of developments in legislation that affect the local council sector and should review and update its Financial Regulations annually.
 - 12) Please ensure that the latest approved version is published on the council’s website.

Local Government Association

Model Councillor Code of Conduct 2020

Joint statement

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviours and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring

Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least

two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Parish Clerk, who may in turn contact the Monitoring Officer, prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport

- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons

who may apply to the local authority for any permission, licence or other significant advantage.

10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.

10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“**Disclosable Pecuniary Interest**” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

“**Partner**” means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

Disclosure of Other Registerable Interests

5. Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

7. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative or close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2**you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

8. Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and

neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing the Code on an annual basis to ensure it is still fit for purpose.

FINANCIAL RESERVES MANAGEMENT

1. Purpose

- 1.2 Section 50 of the Local Government Finance Act 1992 require a local precepting authority to have regard to the level of reserves needed for meeting estimated future expenditure when calculating the budget requirement. However, there is no specified minimum level of reserves that an authority should hold but it is generally accepted that general (un-earmarked) revenue reserves usually lie within the range of three to twelve months of gross expenditure. (Governance and Accountability for Local Councils A Practitioners' Guide (England) 2014 Part 2 - 2.26)
- It is the responsibility of the Responsible Financial Officer to advise the Council about the level of reserves and to ensure that agreed procedures are adhered to for their establishment and use. w

2. Types of reserves

- 2.1 Reserves are categorised as general or earmarked.
- 2.2 Earmarked reserves can be held for several reasons:
- Renewals – to enable services to plan and finance an effective programme of vehicle and equipment replacement and planned property maintenance. These reserves are a mechanism to smooth expenditure so that a sensible replacement programme can be achieved without the need to vary budgets.
 - Carry forward of underspend - some services commit expenditure to projects, but cannot spend in the current budget year. Reserves are used as a mechanism to carry forward these resources.
 - Insurance reserve – to enable the Council to meet the excesses of claims not covered by insurance.
 - Other earmarked reserves may be set up from time to time to meet known or predicted liabilities.
 - Monies received from CIL (Community Infrastructure Levy) payments must be held in an earmarked reserve in order to account for spending in accordance with government policy.
 - Monies due to the Council under s.106 Agreements are held by Broadland District Council and released to this council following approval of expenditure and submission of relevant receipted invoices which confirm payment.

- 2.3 General reserves are funds which do not have any restrictions as to their use. These reserves can be used to smooth the impact of uneven cash flows, offset the budget requirement if necessary or can be held in case of unexpected events or emergencies.

3. Earmarked reserves

- 3.1 Earmarked reserves will be established on a “needs” basis, in line with anticipated requirements.
- 3.2 Any decision to set up a reserve must be given by the Council.
- 3.3 Expenditure from reserves can only be authorised by the Council.
- 3.4 Reserves should not be held to fund ongoing expenditure. This would be unsustainable as at some point, the reserves would be exhausted. To the extent that reserves are used to meet short term funding gaps, it must be resolved that they must be replenished in the following year. However, earmarked reserves that have been used to meet a specific liability would not need to be replenished, having served the purpose for which they were originally established.
- 3.5 All earmarked reserves are recorded on a central schedule held by the Responsible Financial Officer and lists the various earmarked reserves and the purpose for which they are held.
- 3.6 The Council’s Financial Risk Assessment is considered within the budgeting procedure and year end accounting procedures and identifies planned and unplanned expenditure items and thereby indicates an appropriate level of reserves.

4. General Reserves

- 4.1 The level of general reserves is a matter of judgement and so this document does not attempt to prescribe a blanket level. The primary means of accumulating general reserves will be through an allocation from the annual budget. This will be in addition to any amounts needed to replenish reserves that have been consumed in the previous year.
- 4.2 Setting the level of general reserves is one of several related decisions in the formulation of the medium term financial strategy and the annual budget. The Council must accumulate and maintain sufficient working balances to cover the key risks it faces, as expressed in its Financial Risk Assessment.
- 4.3 If in extreme circumstances general reserves were exhausted due to major unforeseen spending pressures within a particular financial year, the Council would be able to draw down from its earmarked reserves to provide short-term resources.
- 4.4 Even at times when extreme pressure is put on the Council’s finances the Council must keep a minimum balance sufficient to pay one month’s salaries to staff in general reserves at all times.

5. Opportunity cost of holding reserves

- 5.1 In addition to allowing the Council to manage unforeseen financial pressures and plan for known or predicted liabilities, there is a benefit to holding reserves in terms of the interest earned on funds which are not utilised. This investment income is fed into the budget strategy.
- 5.2 However, there is an “opportunity cost” of holding funds in reserves, in that these funds cannot then be spent on anything else. As an example, if these funds were used to repay debt the opportunity cost would equate to the saving on the payment of interest and the minimum revenue provision, offset by the loss of investment income on the funds. However, using reserves to pay off debt in this way would leave the Council with no funds to neither manage

unexpected risks nor provide a mechanism to fund the planned expenditure for which the reserves were earmarked.

- 5.3 Given the opportunity costs of holding reserves, it is critical that reserves continue to be reviewed each year as part of the budget process to confirm that they are still required and that the level is still appropriate.

6. Current level of financial reserves

- 6.1 The level of financial reserves held by the Council will be agreed by the Property Policy & Resources Committee during the discussions held regarding the setting of the budget and precept for the forthcoming financial year.
- 6.2 The current level of general reserves to be held by the Council is no less than **£150,000.00 as this is considered to be adequate for 3 months running costs of the council.**
- 6.3 The current level of earmarked reserves to be agreed by the Property Policy & Resources Committee

7. Current Financial Service Provider

- 7.1 The current financial service provider is Barclays Bank plc. The credit rating and reputation of the provider is considered by the Property Policy & Resources Committee during the discussions held regarding the level of financial reserves.
- 7.2 The Council may consider other providers as appropriate in order to achieve the best return on its investments. The credit rating and reputation of the provider must be relevant to local government policies and best practice.
- 7.3 HPC currently has 2 loans with PWLB, both agreed by Full council following recommendations from Property, Policy and Resources Committee, payback of these loans are included in the precept amount requested from Broadland District Council.

COUNCILLOR OFFICER PROTOCOL

INTRODUCTION

The purpose of this Protocol is to guide councillors and officers of the council in their relations with one another. The Protocol's intention is to build and maintain good working relationships between councillors and officers as they work together. Employees who are required to give advice to councillors are referred to as "officers" throughout.

A strong, constructive, and trusting relationship between councillors and officers is essential to the effective and efficient working of the council.

This Protocol also seeks to reflect the principles underlying the Code of Conduct which applies to councillors and the employment terms and conditions of officers. The shared objective is to enhance and maintain the integrity (real and perceived) of local government. The following extract from the Local Government Association guidance on the 2020 Model councillor Code of Conduct states that:

"Both councillors and officers are servants of the public and are indispensable to one another. Together, they bring the critical skills, experience and knowledge required to manage an effective local authority.

At the heart of this relationship, is the importance of mutual respect. councillor-officer relationships should be conducted in a positive and constructive way. Therefore, it is important that any dealings between councillors and officers should observe reasonable standards of courtesy, should show mutual appreciation of the importance of their respective roles and that neither party should seek to take unfair advantage of their position or seek to exert undue influence on the other party.

councillors provide a democratic mandate to the local authority and are responsible to the electorate whom they represent. They set their local authority's policy framework, ensure that services and policies are delivered and scrutinise local authority services.

[Councillors of the executive,] Chairs and vice chairs of committees have additional responsibilities. These responsibilities will result in increased expectations and relationships with officers that are more complex. Such councillors must still respect the impartiality of officers and must not ask them to undertake work of a party-political nature or compromise their position with other councillors or other officers.

Officers provide the professional advice and managerial expertise and information needed for decision making by councillors and to deliver the policy framework agreed by councillors. They are responsible for implementing decisions of councillors and the day-to-day administration of the local authority.

The roles are very different but need to work in a complementary way.

It is important for both sides to respect these differences and ensure that they work in harmony. Getting that relationship right is an important skill. That is why the code requires

councillors to respect an officer's impartiality and professional expertise. In turn officers should respect a councillor's democratic mandate as the people accountable to the public for the work of the local authority. It is also important for a local authority to have a councillor-officer protocol which sets out how this relationship works and what both councillors and officers can expect in terms of mutual respect and good working relationships."

This Protocol covers:

- The respective roles and responsibilities of the councillors and the officer;
- Relationships between councillors and officers;
- Where/who a councillor or an officer should go to if they have concerns;
- Who is responsible for making decisions.

BACKGROUND

This Protocol is intended to assist councillors and officers, in approaching some of the sensitive circumstances which arise in a challenging working environment.

The reputation and integrity of the council is significantly influenced by the effectiveness of councillors and the officer working together to support each other's roles.

The aim is effective and professional working relationships characterised by mutual trust, respect and courtesy. Overly close personal familiarity between councillors and officers is not recommended as it has the potential to damage this relationship

ROLES OF COUNCILLORS AND OFFICERS

The respective roles of councillors and officers can be summarised as follows:

- Councillors and officers are servants of the public and they are indispensable to one another, but their responsibilities are distinct.
- Councillors are responsible to the electorate and serve only for their term of office.
- Officers are responsible to the council. Their job is to give advice to councillors and to the council, and to carry out the council's work under the direction and control of the council and relevant committees.

Councillors

Councillors have four main areas of responsibility:

- To determine council policy and provide community leadership;
- To monitor and review council performance in implementing policies and delivering services;
- To represent the council externally; and
- To act as advocates for their constituents.

All councillors have the same rights and obligations in their relationship with the officer, regardless of their status and should be treated equally.

Councillors should not involve themselves in the day to day running of the council. This is the officer's responsibility, and the officer will be acting on instructions from the council or its committees, within an agreed job description.

In line with the councillors' Code of Conduct, a councillor must treat others with respect, must not bully or harass people and must not do anything which compromises, or is likely to compromise, the impartiality of those who work for, or on behalf of, the council.

Officers can expect councillors:

- to give strategic leadership and direction and to seek to further their agreed policies and objectives with the understanding that councillors have the right to take the final decision on issues based on advice
- to act within the policies, practices, processes and conventions established by the council
- to work constructively in partnership with officers acknowledging their separate and distinct roles and responsibilities
- to understand and support the respective roles and responsibilities of officers and their associated workloads, pressures and reporting lines
- to treat them fairly and with respect, dignity and courtesy
- to act with integrity, to give support and to respect appropriate confidentiality
- to recognise that officers do not work under the instruction of individual councillors or groups
- not to subject them to bullying, intimidation, harassment, or put them under undue pressure.
- to treat all officers, partners (those external people with whom the council works) and members of the public equally, and not discriminate based on any characteristic such as age, sex, race, sexual orientation, gender identity, disability or religion.
- not to request officers to exercise discretion which involves acting outside the council's policies and procedures
- not to authorise, initiate, or certify any financial transactions or to enter into any contract, agreement or undertaking on behalf of the council or in their role as a councillor without proper and lawful authority
- not to use their position or relationship with officers to advance their personal interest or those of others or to influence decisions improperly
- to comply at all times with the councillors' Code of Conduct, the law, and such other policies, procedures, protocols and conventions agreed by the council.
- respect the impartiality of officers and do not undermine their role in carrying out their duties
- do not ask officers to undertake work, or act in a way, which seeks to support or benefit a particular political party or gives rise to an officer being criticised for operating in a party-political manner
- do not ask officers to exceed their authority where that authority is given

Chairs and vice-chairs of council and committees

Chairs and vice-chairs have additional responsibilities as delegated by the council. These responsibilities mean that they may have to have a closer working relationship with employees than other councillors do. However, they must still respect the impartiality of officers and must not ask them to undertake work or anything else which would prejudice their impartiality.

Officers

The primary role of officers is to advise, inform and support all members and to implement the agreed policies of the council.

Officers are responsible for day-to-day managerial and operational decisions within the council, including directing and overseeing the work of any more junior officers. Councillors should avoid inappropriate involvement in such matters.

In performing their role officers will act professionally, impartially and with neutrality. Whilst officers will respect a councillor's view on an issue, the officer should not be influenced or pressured to make comments, or recommendations which are contrary to their professional judgement or views.

Officers must:

- implement decisions of the council and its committees which are lawful, which have been properly approved in accordance with the requirements of the law and are duly recorded. This includes respecting the decisions made, regardless of any different advice given to the council or whether the decision differs from the officer's view.
- work in partnership with councillors in an impartial and professional manner
- treat councillors fairly and with respect, dignity and courtesy
- treat all councillors, partners and members of the public equally, and not discriminate based on any characteristic such as age, sex, race, sexual orientation, gender identity, disability or religion.
- assist and advise all parts of the council. Officers must always act to the best of their abilities in the best interests of the authority as expressed in the council's formal decisions.
- respond to enquiries and complaints in accordance with the council's standards protocol
- be alert to issues which are, or are likely to be, contentious or politically sensitive, and be aware of the implications for councillors, the media or other sections of the public.
- act with honesty, respect, dignity and courtesy at all times
- provide support and learning and development opportunities for councillors to help them in performing their various roles in line with the council's training and development policy
- not seek to use their relationship with councillors to advance their personal interests or to influence decisions improperly
- comply, at all times, with employment policies or procedures approved by the council

Officers have the right not to support councillors in any role other than that of councillor, and not to engage in actions incompatible with this Protocol.

In giving advice to councillors, and in preparing and presenting reports, it is the responsibility of the officer to express his/her own professional views and recommendations. An officer may report the views of individual councillors on an issue, but the recommendation should be the officer's own. If a councillor wishes to express a contrary view they should not pressurise the officer to make a recommendation contrary to the officer's professional view, nor victimise an officer for discharging his/her responsibilities.

There are exceptional circumstances where a councillor can fulfil the role of officer, for example where there is a vacancy. This can only be done if the councillor is not paid for the role and should only ever be short-term while the council seeks to fill a vacancy. There will need to be a particular clear understanding of when the councillor is acting as a councillor and when acting as the Proper Officer.

The Relationship: General

Councillors and officers are indispensable to one another. However, their responsibilities are distinct. Councillors are accountable to the public, whereas officers are accountable to the council as a whole.

At the heart of this Protocol is the importance of mutual respect and also of civility.

Councillor/officer relationships are to be conducted in a positive and constructive way.

Therefore, it is important that any dealings between councillors and officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position nor seek to exert undue influence on the other party.

Individual councillors should not actively seek to undermine majority decisions of the corporate body, as this could then bring them into conflict with officers who have been charged with promoting and implementing the council's collectively-determined course of action.

Councillors should not raise matters relating to the conduct or capability of an officer, or of officers collectively, in a manner that is incompatible with this Protocol at meetings held in public or on social media. This is a long-standing tradition in public service. An officer has no means of responding to criticisms like this in public.

A councillor who is unhappy about the actions taken by, or conduct of, an officer should: avoid personal attacks on, or abuse of, the officer at all times

- ensure that any criticism is well founded and constructive
- ensure that any criticism is made in private
- take up the concern with the chair

Neither should an officer raise with a councillor matters relating to the conduct or capability of another councillor or officer or to the internal management of the council in a manner that is incompatible with the objectives of this Protocol.

Potential breaches of this Protocol are considered below.

Expectations

All councillors can expect:

- A commitment from officers to the council as a whole, and not to any individual councillor, group of councillors or political group;
- A working partnership;
- Officers to understand and support respective roles, workloads and pressures;
- A timely response from officers to enquiries and complaints;
- Officer's professional and impartial advice, not influenced by political views or personal preferences;
- Timely, up to date, information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities or positions that they hold;
- Officers to be aware of and sensitive to the public and political environment locally;

- Respect, courtesy, integrity and appropriate confidentiality from officers and other councillors;
- Training and development opportunities to help them carry out their role effectively;
- Not to have personal issues raised with them by officers outside the council's agreed procedures;
- That officers will not use their contact with councillors to advance their personal interests or to influence decisions improperly.

Officers can expect from councillors:

- A working partnership;
- An understanding of, and support for, respective roles, workloads and pressures;
- Leadership and direction;
- Respect, courtesy, integrity and appropriate confidentiality;
- Not to be bullied or to be put under undue pressure;
- That councillors will not use their position or relationship with officers to advance their personal interests or those of others or to influence decisions improperly;
- That councillors will at all times comply with the council's adopted Code of Conduct.

Some general principles

Close personal relationships between councillors and officers can confuse their separate roles and get in the way of the proper conduct of council business, not least by creating a perception in others that a particular councillor or officer is getting preferential treatment. Special relationships with particular individuals are not recommended as it can create suspicion that an employee favours that councillor above others.

The Proper Officer (usually called the Clerk) is the head of paid services and has a line-management responsibility to all other staff. Communications should be made directly with the Proper Officer, unless it is agreed by the Proper Officer that such communications may take place directly with other officers over a particular matter. Councillors should not give instructions directly to the Proper Officer's staff without the express approval of the Proper Officer.

COUNCILLORS' ACCESS TO INFORMATION AND TO COUNCIL DOCUMENTS

Councillors are free to approach officers to provide them with such information, explanation and advice as they may reasonably need in order to assist them in discharging their role as members of the council. This can range from a request for general information about some aspect of the council's activities to a request for specific information on behalf of a constituent. Such approaches should normally be directed to the Officer.

The legal rights of councillors to inspect council documents are covered partly by statute and partly by the common law.

The common law right of councillors is based on the principle that any member has a prima facie right to inspect council documents so far as their access to the documents is reasonably necessary to enable the member properly to perform their duties as a member of the council. This principle is commonly referred to as the "need to know" principle.

The exercise of this common law right depends therefore upon the councillor's ability to demonstrate that they have the necessary "need to know". In this respect a member has no right to "a roving commission" to go and examine documents of the council. Mere curiosity

is not sufficient. The crucial question is the determination of the “need to know”. This question must be determined by the officer.

In some circumstances (e.g. a committee member wishing to inspect documents relating to the functions of that committee) a councillor’s “need to know” will normally be presumed. In other circumstances (e.g. a councillor wishing to inspect documents which contain personal information about third parties) a councillor will normally be expected to justify the request in specific terms. Any council information provided to a councillor must only be used by the councillor for the purpose for which it was provided i.e. in connection with the proper performance of the councillor’s duties as a member of the council.

For completeness, councillors do, of course, have the same right as any other member of the public to make requests for information under the Freedom of Information Act 2000.

CORRESPONDENCE

Correspondence between an individual councillor and an officer should not normally be copied (by the officer) to any other councillor. Where exceptionally it is necessary to copy the correspondence to another councillor, this should be made clear to the original councillor. In other words, a system of “silent copies” should not be employed.

Acknowledging that the “BCC” system of e-mailing is used, it should be made clear at the foot of any e-mails if another councillor has received an e-mail by adding “CC councillor X.”

Official letters or emails on behalf of the council should normally be sent out under the name of the officer, rather than under the name of a councillor. It may be appropriate in certain circumstances (e.g. representations to a Government Minister) for a letter or email to appear over the name of the chair, but this should be the exception rather than the norm. Letters or emails which, for example, create obligations or give instructions on behalf of the council should never be sent out in the name of a councillor.

Correspondence to individual councillors from officers should not be sent or copied to complainants or other third parties if they are marked “confidential”. In doing so, the relevant officer should seek to make clear what is to be treated as being shared with the councillor in confidence only and why that is so.

PRESS AND MEDIA

Councils are accountable to their electorate. Accountability requires local understanding. This will be promoted by the council, explaining its objectives and policies to the electors and customers. Councils use publicity to keep the public informed and to encourage public participation. The council needs to tell the public about the services it provides. Good effective publicity should aim to improve public awareness of the council’s activities. Publicity is a sensitive matter in any political environment because of the impact it can have. Expenditure on publicity can be significant. It is essential to ensure that decisions on publicity are properly made in accordance with the Code of Recommended Practice on Local Authority Publicity and the council’s Media Policy.

The officer may respond to press enquiries but should confine any comments to the facts of the subject matter and the professional aspects of the function concerned. On no account must an officer expressly or impliedly make any political opinion, comment or statement. Any press release that may be necessary to clarify the council’s position in relation to disputes, major planning developments, court issues or individuals’ complaints should be approved by the officer.

The chair (or chair of a committee) may act as spokespersons for the council in responding to the press and media and making public statements on behalf of the council but should liaise with the officer on all forms of contact with the press and media. The council may also appoint individual councillors as spokespeople where there is an area of particular expertise but this should only be done with the agreement of the council.

The council must comply with the provisions of the Local Government Act 1986 (“the Act”) regarding publicity. All media relations work will comply with the national Code of Practice for Local Government Publicity. The Code is statutory guidance and the council must have regard to it and follow its provisions when making any decision on publicity.

The LGA has produced useful guidance on the Publicity Code -

For more detailed information and guidance regarding the role of councillors in connection with the use of social media, reference should be made to the council’s Social Media Policy where there is one in place.

IF THINGS GO WRONG

Procedure for officers:

From time to time the relationship between councillors and the officer (or other employees) may break down or become strained. Whilst it is always preferable to resolve matters informally, it is important that the council adopts a formal grievance protocol or procedure. The principal council’s monitoring officer may be able to offer a mediation/conciliation role or it may be necessary to seek independent advice. The chair of the council should not attempt to deal with grievances or work related performance or line management issues on their own. The council should delegate authority to a small group of councillors to deal with all personnel matters.

The law requires all employers to have disciplinary and grievance procedures. Adopting a grievance procedure enables individual employees to raise concerns, problems or complaints about their employment in an open and fair way.

Where the matter relates to a formal written complaint alleging a breach of the councillors’ Code of Conduct the matter must be referred to the principal council’s monitoring officer in the first instance in line with the Localism Act 2011. The council may however try to resolve any concerns raised informally before they become a formal written allegation.

Procedure for councillors:

If a councillor is dissatisfied with the conduct, behaviour or performance of the officer or another employee, the matter should be reported to the Chairman of the Staffing Committee and then raised with the officer in the first instance. If the matter cannot be resolved informally, it may be necessary to invoke the council’s disciplinary procedure.

Hellesdon Parish Council, Full Council Minutes 9th April 2024

Cllr Gurney assured the meeting that The Limes Care home, a private care home not run by Norfolk County Council, had been inspected three times since an incident in 2021, as was reported in the EDP today. The last time it was inspected was in June 2023 and the establishment was described as safe and well managed.

c) To Receive Presentation on Updated Plans for the Yellow Pedalway

Cllr Gurney had arranged for the technical drawings for the proposed Yellow Pedalway to be displayed for members. This is a shared pathway for cyclists and pedestrians which would start at Amsterdam Way and extend to the NDR, giving access to The Nest as part of the route. The width of the pathway would be improved to a width of three metres, but to allow this to happen, some of the pathway would be on the Norwich City side of the Holt Road and some of the route would be on the Hellesdon side, with crossing points being installed to enable safe crossing. This route would avoid the complication of compulsory purchase orders and to ensure that the pathway could be widened without impacting the width of the road.

The scheme would mean investment of £1.9m and funding would come from GNLP CIL and government grants to encourage walking and cycling. There would also be a reduction in the speed limit on the Holt Road from 60mph to 40mph.

The lighting of the scheme would be limited due to conflict with lighting at the airport.

Cllr Britcher raised concerns about the speed traffic exits the Holt Road at Buck Courtney Crescent and the impact it would have on the crossing point in this location. Cllr Britcher also raised concerns about traffic mounting the pathway as a result of moving for emergency services. Cllr Gurney advised that a traffic survey had been completed and most movements of emergency services are from north Norfolk, not outgoing.

Cllr Lowthorpe felt that to encourage active travel, the whole route should be on the Hellesdon side of Holt Road to support local residents. Cllr Gurney advised that there had been consultation with local residents and the preference was for this area of the route to be on the Norwich side of Holt Road.

There is no indication of the timescales for the project at present. Cllr Gurney welcomed feedback to be sent to her which she can forward to the Norfolk County Council officers.

d) Verbal Update from Chairman

The Chairman reported that he had met with an officer from Broadland Council to discuss Tree Preservation Orders in Hellesdon. The map of Tree Preservation Orders in Hellesdon was displayed. It was noted that this map was available on Broadland Council's website.

352 – It was noted that this was for the extension of the community centre, which had been granted planning permission. The office staff are currently turning away bookings through lack of space in the community centre.

361 – It was noted that this was community infrastructure levy from developers which the Parish Council could spend on infrastructure projects to mitigate the impact of development.

It was **AGREED** to accept this report.

a) To Note Decisions Made by the Playing Fields, Allotments and Amenities Committee on 13th March 2024

The minutes and decisions arising from the Playing Fields, Allotments and Amenities Committee meeting held on 13th March 2024 had been circulated.

The committee agreed that the allotment site was not the best location for this and Cllr Gurney had suggested alternatives belonging to other local authorities, housing associations, businesses and community groups. The committee still wishes to retain plot 19 at the allotment site to subdivide into smaller plots.

Cllr Smith reported that the café is getting very busy. A volunteer policy and agreement had been adopted in the meeting, and a new volunteer had started on site today. The Clerk is to circulate the volunteer agreement and policy to all members.

Friday opening in the café is to be promoted in the future.

Cllr Gurney advised that there is a volunteer programme via Norwich City College which may be able to assist with local volunteers.

12. Neighbourhood Plan.

a) To Receive Update on the Neighbourhood Plan

Cllr Gurney reported that on Thursday 14th March, representatives from AECOM visited the parish to assist with the creation of a Design Code for Hellesdon. The meeting began with a meeting in the council chamber to discuss the different aspects of the parish and what the Neighbourhood Plan hoped to achieve from a design code. This was followed by a tour of the parish so AECOM could familiarise themselves with the character of the parish and examples of good design and where design decisions had let the parish down. This work by AECOM had been funded by a technical support grant.

161 Neighbourhood Plan surveys were received electronically and 25 completed as a hard copy. The Parish Council's consultants are currently analysing the survey results.

The physical consultation events were not so well attended.

The next meeting is on Monday 15th April.

13. Waste Contract

a) To Consider Alternative Waste Contract to Encompass Increased Recycling

The Clerk reported that the Parish Council increased its budget for waste collection for 2024/2025 to assist with increased recycling. Cllr Gurney reported that Broadland Council were currently considering a scheme for Parish Councils to benefit from glass recycling.

Three quotes were provided from local commercial waste contractors. It was **AGREED** after a proposal from Cllr Gurney and a second from Cllr Forder, to continue with the Parish Council's current contractors for a period of six months with collections for general waste and mixed recycling. This would allow time for details of Broadland Council's glass recycling scheme to be made public and the Parish Council can use this information when giving further consideration to its commercial waste collection.

The Clerk is to investigate bins to allow segregation for general waste and recyclable waste for the Recreation Ground.

14. ID Badges

a) To Consider Formal Photographic ID Lanyards for Councillors

The Clerk reported that a request has been made for councillors to have formal photographic ID cards on lanyards. These would not only give a more professional appearance for councillors when they are acting on behalf of the Parish Council, but would provide a greater level of security than the non photographic badges provided in the office. With councillors becoming more active within the community and attending more engagement events, the need for this has increased.

The cost would be £10 per card + £1.25 per card for a card holder and £1.60 for a lanyard (£12.85 per card + VAT). Discussions occurred as to whether the photograph on the card was necessary.

It was **AGREED** to proceed with photographic ID lanyards for councillors after a proposal from Cllr Smith and a second from Cllr Maidstone.

15. Western Link

a) To Receive Update on the Western Link and the Local Liaison Group Meeting on 13th March 2024

Cllr Britcher reported that he had attended the meeting on 13th March as a representative from the Parish Council. The planning application has now been submitted to Norfolk County Council, as the local planning authority, for the Western Link. This will be validated and then a public consultation will commence. As part of the proposal, there are three 'green bridges' which will allow animals to cross. As these proposed bridges start and end on private land, there will be no public pedestrian access.

New guidance has been issued by Natural England relating to Barbastelle bats. Norfolk County Council is looking for a solution acceptable to Natural England.

Cllr Gurney advised that there is a lot of work going on with government about the new Natural England guidance.

There are no meetings planned for the near future due to the pre-election period.

16. Matters for the Next Agenda

District Councillors Report – Hellesdon South-East

Report for Parish Council – May 2024

Whiffler responded to email. Stating three proposals are on the table but no plans coming forward. Are working on “alleviating the issues” before any changes are made.

Full council attended. Question raised as to why Council Tax bills were issued on paper for those opting for e-billing. Answer that this was due to a data migration issue affecting both Broadland and South Norfolk. Cost unknown but cost recovery from Software company being considered.

Asked if all other data migrations had been checked for accuracy and tested. Answer, yes very carefully.

Brown bill direct debits failure of 22,900 would suggest data migration issues remain with lack of adequate software testing.

4. Public Participation

No public present at the meeting.

5. Fire Regulations

The Clerk explained that Section 156 of the Building Safety Act 2022 came into force on 1st October 2023, introducing legal provisions surrounding fire safety. These requirements apply to all non-domestic premises, such as where people work, visit or stay, including workplaces.

a) To Agree Hellesdon Parish Council to be the Responsible Body under new Fire Regulations

The Clerk explained that the legislation refers to a 'responsible person' and their duties under the act. Guidance states that 'you are a Responsible Person if you are an employer, have control of the premises, or the owner of a premises'. Clarification has been sought as to whether a Responsible Person can be a corporate body and it can be. The employer is Hellesdon Parish Council and so it is recommended that Hellesdon Parish Council is the 'responsible person' with the day to day works to ensure that the Parish Council complies with the legislation delegated to the Clerk and the Facilities Manager. This recommendation was **ACCEPTED** after a proposal from Cllr Gurney and a second from Cllr Johnson.

b) To Consider the Updating of the Fire Risk Assessments for All Council Buildings.

Approved.....

Date.....

The Clerk reported that the last Fire Risk Assessments were completed on behalf of the council in 2019. As these are now 5 years old and the community centre has been much changed, it is recommended that these are now updated. A price has been received of £150 per building to complete these Risk Assessments. That is £450 for the Community Centre, Diamond Jubilee Lodge and the Grounds Shed.

After establishing that the quote was in line with financial regulations, it was **AGREED** to proceed with the updating of the Fire Risk Assessments for £450.

6. Policies Review

The following policies were reviewed:

- a) Information Security – **AGREED** with an amendment to the Evaluation and Response section to ensure that a report is made to Full Council as well as the Chairman.

It was **AGREED** that councillors should have a hard copy of updated policies relevant to their role, so these can be added to their councillor files. The Clerk is to arrange this.

7. To Review Risk Assessments

The risk assessments presented were **ACCEPTED**. It was noted that the risk assessment for the community café was omitted. This is to be presented to the next full council meeting, ensuring that it covers the café, foyer and the dog friendly area.

Risk assessments for other groups with buildings on the Parish Council's land should be appended to the Parish Council risk assessments. Assessments are already held for the Haha hut and the Family Hub. The Clerk is to request risk assessments for the bowls pavilion and the Horticultural Association storage area.

A grant application has been made to Awards for All (National Lottery) on 3rd April. A decision is expected within 12 weeks.
